

WBS 300142
WILLOW ROAD EXTENSION – PHASE 2
DESCRIPTION OF WORK

The County is proposing to extend Willow Road easterly from Hetrick Avenue to Hwy 101 and to construct a tight diamond interchange at Hwy 101. A bid additive to extend Willow Road from Hwy 101 to Thompson Road will be included in the bid package. Included with the interchange are two main line bridges and retaining walls on the north bound ramps. Also included in the Bid Package will be a bid additive to install a 12" diameter water line in Willow Road to a point approximately 400' west of the proposed interchange.
